

# Joshua ISD On-line Access

## Curriculum Information

### 1<sup>st</sup> – 6<sup>th</sup> Grade Renaissance Reading

#### Accessing the Accelerated Reading (AR) Program

<https://hosted134.renlearn.com/304248/HC/ReportController.rli>

- ❖ Students take STAR Reading computerized test in **September, January, and May** to determine their AR reading level during the year.
- ❖ Students must pass AR tests with at least 85% and meet 100% of goal each six weeks to be eligible for awards and incentive.
- ❖ Teachers will send home student's individual username and password once AR Home Connect is available for student use. Your child cannot take AR tests at home, but through Home Connect parents can view tests their students have taken, their grade on the quiz, their goal progress and also see what books are on the AR list.

### K – 6<sup>th</sup> Grade Science Program

#### Accelerate Learning STEMScopes

<https://n11057d41041.acceleratelearning.com/login>

Parents can access the JISD Science student edition to discover more about all of the science content they will learn about this year and get materials to assist you in science. The STEMscopedia includes parent connections, career connections, technology, and science news.

Teachers will send home student's individual username and password once the home program is available for student use.

### K – 5<sup>th</sup> Grade - Math Program

#### Go Math and Think Central

JISD offers Texas Go Math for Kindergarten through 5<sup>th</sup> Grade math curriculum and McGraw Hill Math Course 1 for 6<sup>th</sup> grade students. Parents can access digital books, activities, videos and more to assist your child with math concepts at home through the Think Central website.

### Sixth Grade Math Program

<http://connected.mcgraw-hill.com/>

Teachers will send home student's individual username and password once the home program is available for student use.

### istation at Home

[www.istation.com](http://www.istation.com)

This year your child is receiving individualized reading and math instructions through the use of the computer-delivered program called Istation. This program can be accessed from home to extend your child's academic progress. Your child will receive a letter explaining how to access the parent portal and Istation Home. Teachers will send home student's individual username and password once the home program is available for student use.

### SKYWARD FAMILY ACCESS

Family Access by Skyward will allow you to easily keep track of your student's attendance, grades, and emergency information.

Parents will need to provide an email address to your child's school so you can request your username and password on-line or you will need to go to your child's school and show an ID to receive your username and password.
