

Joshua ISD Club eXcel Checks Acceptance Procedures

A check may be returned for improper signature, insufficient funds, or account closed.

1. Returned checks are sent to the manager for collection and must be cleared no later than 5 business days after the manager is notified.
2. If an insufficient check is not cleared by payment in full the student will not be allowed to participate in Club eXcel until all fees are paid in full, including late fees and return check fees.
3. Check writing privileges will be suspended for the remainder of that semester.
4. If a second NSF check is submitted in the same school year, Club eXcel will no longer accept checks from that parent for the school year.
