

CIC Agenda/Minutes  
September 18, 2019

1. Introductions
2. Review campus scorecard - white and EL student groups are not meeting accountability standards
3. Review campus strategic plan - reviewed and is posted on website
4. Review campus plan outline - committee approved rough draft with the understanding that some demographic data will be updated when available
5. Exemptions
  - a. The committee agreed to leave exemptions as is with the following revisions:
    - i. Allow students with perfect attendance in a six weeks the ability to earn remove an absence (not officially eliminate an absence, exemptions purposes only)
    - ii. An EOC re-tester in December may earn an exemption in the class in the corresponding subject if the student passes the EOC...i.e. passes bio EOC can earn exemption in Chemistry, etc.
  - b. We discussed "D" not counting against days for exemptions, but they still count as absences, thus not promoting the attendance aspect of exemptions.
6. Other
