Room 125

Minutes

1. Welcome & Call the meeting to order
Members Present: Rick Edwards, Shannon Cooper, Kari Frederick, Dr. Steve Martin, Theresa Adair, Julie Pool, Micki Jones
Visitors: Shari Phillips and Jennifer Heggland (REACH Council)
2. District Nursing Department Update
Shannon Cooper, JISD District Nursing Coordinator, reported that a plan is being formulated to train all 7th-12th grade students in Stop the Bleed. All teachers have been trained. Also, seizure training will be completed by required staff on February 14th. This is in online training. Mrs. Cooper also informed the SHAC that the Ryan Powell Foundation would be donating another AED to the district at the February 24th Board meeting. This is their 5th donation to JISD.
3. Child Nutrition Department Update
Kari Frederick, Child Nutrition Director, gave an update on the state audit coming up on February 25th and 26th. She is utilizing the Wellness Plans and evaluations that were shared with the SHAC by the campuses as well as the district wellness plan that was approved by the SHAC to share with the auditor.
4. REACH counseling Programs Update
Shari Phillips and Jennifer Heggland represented the REACH Council in the absence of Cassie Street. Jennifer gave an update on the program that is going on now in the district for our 5th graders that emphasizes social skills and drug awareness. There is also a program that is based on teacher referrals for our kindergarten-4th graders named Kids Connection. Kids Connection is currently in place at Caddo Grove, North Joshua, and Staples Elementary campuses. The 8th grade Too Good for Drugs 5 week program is going on now at Nichols Middle School and will begin at Loflin Middle School in March. Shari and Jennifer also made a point to let the council know that they have secured a grant to provide nasal Narcan to districts who are interested. There was support among the council to research this option for our JISD Police Officers and campus nurses. Mr. Edwards stated that he would get in touch with Shannon Cooper and Dr. Martin regarding this option for the district.
5. Staff/Community Wellness Program
Mr. Edwards mentioned the upcoming shot clinic that is scheduled for February 13th. This clinic is open to the public as well and will be advertised through all outlets. The employee Spring Wellness Challenge is a 5 week program that will

begin on March 23rd. The theme is Catch Your Breath and emphasizes committing time each day for rest.

6. District Training

Seizure Training was discussed in the Nurses Report.

7. Other Business

Mr. Edwards stated that due to other pressing assignments he was not able to complete the research on options for abstinence programming for the 20-21 year as requested by the SHAC. He will present his research along with the updated wellness evaluation goals per request at the December SHAC meeting at the April meeting.

Micki Jones posed a question regarding drug usage at the secondary campuses and asked that the vaping policy be reviewed. Mr. Edwards informed the SHAC that the policy for vaping would need to be reviewed by the CIC and DIC committees.

8. Adjourn

Meeting adjourned at 5:32pm.

The last meeting of the year will be on April 8, 2020 @ 4:30.
